This 3 building, 2 acre estate is truly unique, featuring an in-ground, heated outdoor pool and indoor basketball court. The pool cabana is 900 square feet and is equipped with a queen-sized Murphy bed, full bath, and kitchenette. The barn is actually a 4-car garage, workout room, and, upstairs, indoor basketball court. All the rooms in the main house are large, with 4 bedrooms and 2 and a half baths. There are formal living and dining rooms, and a private office with pocket doors just off the enormous family room. The spacious kitchen has a sun-drenched dining area and a breakfast bar that transitions into the family room. The finished basement contains another home office, utility space, and a lounge for an additional TV, couch, and any other activities you might enjoy. Seller is offering too many extras to list here!
