You are going to love the privacy that this nearly five acre home site with beaver pond in a cul-de-sac provides. There are plenty of deer, turkey, fox and other wild life right in your back yard. The home includes a formal living room which works well for a home office and a large formal dining room. The family room on the back of the house has a brick wood burning fireplace that has been plumbed for gas and an exit door to the large composite deck. An eat in kitchen has access to the screened in porch and is adjacent to a first floor bedroom and a full bathroom on the first level. The upstairs master bedroom has two generous walk in closets and a full bath attached and three more generous sized bedrooms with a hall bath. The garage includes an air compressor and hoses and fits two car easily because your lawn tools all go in the huge shed out back. New paint and carpet throughout make the home move in ready. Horses Allowed too!
