How can you not like Hilton Village. It is just charming and this bungalow home is no exception. Wood floors, cozy family room with fireplace, slate roof, hideaway back yard for entertaining. A newer primary bathroom addition includes elegant tile and tasteful finishes. And the primary bedroom has ample closet space. A sunny and generous flex space large enough for a home office or sunroom is on the back of the home. Off street parking and a one car garage are a nice plus. Great neighborhood with mature tree lined streets and sidewalks. Terrific schools.
