This all brick ranch home features one level living. The front and rear patios are both covered so you can enjoy the Colorado seasons outdoors well into the cold weather months. The oversize garage can be used as a workshop or just a place to park your toys, there is still plenty of parking space with an extra long carport and an oversized driveway.

All of the major work has been recently completed, including newer furnace, newer water heater, new sewer line, new carpeting, new paint, new 6-panel interior doors and a new roof over the back patio.

- All Brick ranch floor plan equals low maintenance living
- new carpet through-out
- New interior doors through-out
- New paint
- Newer water heater
- Newer furncae
- New sewer line
- huge garage for plenty of toys

ABOUT JOHN MARSHALL

As a Denver native I have been in and out of nearly every subdivision in the Denver metro area. I have seen a lot of growth and change in my 50+ years here in the Denver market and use that to my buyers and sellers advantage.
