Looking for something private and secluded with breathtaking city light views, while still being easily accessible to everything? This 3Bed/3Bath modern stunner rests peacefully encapsulated by the breathtaking views of the surrounding Los Angeles cityscape in the heart of Eagle Rock. The space has been reimagined to create an open concept urban oasis without comprising warmth and character. Light oak hardwood floors span the entirety of the home under vaulted ceilings adorned with dramatic and captivating dark timber beams. Glass sliders open to a private custom built balcony and allow natural light to spill into the interior. The masterfully, custom built, chef's kitchen boasts walnut cabinetry, stainless steel appliances, designer lighting and a giant island and bar top that opens seamlessly into the living room; a true showcase to the generous open concept floor plan. After a long day's end, retreat downstairs to your own private, luxurious master-suite overlooking spar...
