Custom built in 2015, this home contains special features that combined produce a home unique to this neighborhood. Upon entering the home, one immediately is struck by the spaciousness and light, attributable to the open floor plan and the tall ceilings and doors on this floor. You will find hardwood floors throughout this level, except in the study/office, which offers a quiet refuge behind a French door.

Built for entertaining and family living, the home offers various public spaces: the great room, the office or den, the third floor bonus room, the second floor loft, the screened porch. There are lots of ways to enjoy the home without being on top of each other!

Built in speakers in the great room promise a good audio experience. Speakers and a projection TV set up in the bonus room offer more audio visual opportunities.

A patio for grilling(complete with a gas hook up) and a fenced yard complete the back yard. The covered front porch offers a place to sit...

- 10 ft ceilings and 8 ft doors first floor
- Bright open floorplan with kitchen open to great room
- Covered front porch
- Screened rear porch
- Fenced yard
- Upgraded appliances
- Large kitchen island with granite counters
- Office/Study/Den on first floor
