This custom built, three-level estate truly has it all. As you enter this home you are greeted by a grand foyer with soaring ceilings, featuring a split staircase, with a built-in water feature. The main level includes: a formal living and dining room, a guest suite, a full bathroom, a great room featuring a two-story ceiling with expansive windows, an eat-in kitchen with granite countertops, and top of the line appliances. From the kitchen you can access the outdoor living spaces with a back deck overlooking lush trees, a fire pit, and a gate that leads to walking/biking trails. The top floor features: three bedrooms with two en-suite baths, a luxury master bedroom with a private balcony, master bath with separate vanities, soaking tub, his and her closets, and a walk-in shower. The basement features include: a large rec room with a kitchen, a theater, exercise and craft room, and doors that lead to an outdoor patio. It is in the gated Creekside Subdivision with community pool. Schedule a private tour today!
