Remarkable home, thoughtfully redesigned with entertaining in mind. Dramatic and impressive 24' ceiling in the living room affords a light and bright wall of windows with lovely views across the back of the home. Flexible, open floor plan with spacious rooms provide an abundance of space for entertaining. Two master bedroom suites, one on each level provide a plethora of potential living arrangements including multigenerational living. The generous second floor master and sitting room could be reallocated to become two bedrooms with a shared bath for teens or boomerang kids, nanny or caretaker quarters. Excellent location near College of DuPage and Lake Fox Croft with easy access to highways, shopping and restaurants.
