This is the one you have been waiting for! End your search in this gorgeous family home loaded with desirable features including a main level bedroom and full bath, chef's kitchen with meal prep island and a separate breakfast area, cherry cabinets, granite countertops and energy efficient stainless steel appliances. Family room is ideally situated off the kitchen - perfect for entertaining - and is complete with a cozy gas fireplace. Separate living room boasts a double story vaulted ceiling, which lends this home a bright and open feel as you come through the front entrance. Formal dining room is currently being used as a home office. Laundry room with a separate sink and storage cabinets is conveniently located inside, right off the entrance to the spacious 3 car garage with plenty of both built in cabinet and overhead storage. Master retreat features a cozy sitting area, fully remodeled Master Bath with a His and Hers sinks, separate soaking tub and shower and a custom built walk in closet - a must see! Two additional bedrooms share a spacious bath with double sinks for added convenience. The backyard is an entertainer's dream complete with a patio, low maintenance turf, tropical landscaping and sparkling heated pool and spa. Welcome Home!
