Wonderful 1922 Farmhouse with extra large, deep lot adjacent to expansive (unbuildable) green space. The front porch with authentic columns, frame the welcoming foyer. The main level offers spacious rooms many with hardwood floors, crown molding, abundant natural light, a powder room and a crowd sized dining room, perfect for holiday entertaining. One of the main reasons the owners purchased this beloved home is the space offered on the main level provides comfortable space for family or guests. The vintage kitchen has plenty of preparation space and the free standing storage pieces are negotiable. The back porch serves as a oversized mud room and access to the basement. Upstairs find four bedrooms and a recently updated bath. Dual-control heating and air makes it easy to be energy-efficient and comfortable. Beautiful yard with garden, patio space, and two-car garage. Great location near highways, restaurants and shopping. Welcome Home!
